

THE KUTINSKYS

"As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith." *Galatians 6:10*

June 2026

Dear Pastors, Church Families, and Praying Friends,

We began the month of March at Arnold Baptist Temple, in Arnold, MO for their annual Missions Conference (3/4-3/8). We were able to present the ministry, and due to unexpected illness, I was invited to preach three of the services and teach the Teen Sunday School class Sunday morning. We had the opportunity to participate in a Bible handout event with the church on Saturday morning, and that evening enjoyed an amazing missions meal with church members sharing cuisine from around the world! We appreciated the fellowship with the other missionaries at the conference, as well as the fellowship and hospitality of Pastor and Mrs. Decker and the folks at ABT! We are excited to see what God does through their missions program this year!

In April, we were able to join a team of folks from our church who went to the Willoughby, OH area to assist Church Planter/Pastor Jason Urchek with distributing invitations to a Bible Study for Bethesda Baptist Church, which he and his family are planting in that area. It's a blessing to see churches helping churches get the Gospel out in local communities!

Angela and I typically help with the meal at the monthly Hannah's Hope Foster Outreach meeting at GRBC, but in May, due to a number of illnesses, they were short staffed and asked us to step into some additional roles for the evening. In addition to our normal duties, we also helped with the children's game time, and I presented a short Bible devotional for the kids. God blessed greatly! Many of the children are high energy and unaccustomed to sitting through a Bible lesson, but they (mostly) remained attentive and engaged throughout the lesson from Proverbs 29:22! At the end of May, I was invited to preach at Primary Purpose Center in Elyria, OH, where a local church has been holding Friday night gospel preaching meetings for nearly ten years. God blessed the preaching of His Word! Two men made professions of faith, and I was able to speak with a small group of men during the invitation and show them from the Bible some answers to questions they had!

In mid-March while preparing for the interview with WWNTBM, we identified some areas of our ministry that we would like to strengthen before continuing forward with full time ministry. With council from our Pastor and other godly men, we've decided to pause deputation and the application process with WWNTBM while we pursue further training and experience in these areas. During this season of growth, we've asked our partnering churches to temporarily suspend financial support, as I am able to work. The Lord has provided a job with flexible hours that allow for time to learn, continued ministry within our local church, and occasional other ministry opportunities. Until we return to deputation, we will be sending fewer updates, but will continue to keep you apprised of what God is doing in our lives. We hope that you will continue to pray with us, and share your requests with us as well!
