

THE KUTINSKYS

“As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.” *Galatians 6:10*

November 2025

Dear Pastors, Church Families, and Praying Friends,

There is much to be thankful for this season, and we praise God for all of it!

At the beginning of the month, GRBC hosted its Annual Family Conference featuring Dr. John O’Malley. I took advantage of the opportunity of having services several days in a row to begin learning about video streaming during services. I had learned a bit about the soundboard while we were working with Memorial Baptist (which happens to be the same equipment we have at GRBC), but only minimally learned about the video side of this important ministry. Our team here has been patient in teaching me and allowing me to sit in and get repetitions to learn the process. We are thankful for the opportunity for continued learning!

After several months of repairs on our new (to us) truck, we’ve finally completed the work so that we could sell the old truck. God blessed the sale greatly, leading us to a buyer willing to pay more than what was owed on the old loan! We are thankful for God’s provision in our lives!

Much of the latter part of the month was spent in central Florida to assist our Pastor and his wife with the house of her aging mother, who lived there prior to coming north to stay with them. As we traveled down, we worshipped with our friends at Faith Baptist Church of Shelby, NC during their Wednesday evening service. Pastor Goodman graciously offered us a few minutes to share with the church family about the ministry to which God has called us. FBC Shelby has been a blessing to worship and fellowship with every time we’ve stayed in the area. We are thankful for the friendship and fellowship of many fellow believers in that part of NC, and we praise God for first ordering our steps through there years ago!

While we were near Ocala assisting Pastor and Mrs. Lovett, we were able to spend Sunday and Wednesday services with the church family at Memorial Baptist Church. It was a blessing to fellowship and worship with our dear friends and fellow laborers there! On Wednesday, I was asked to bring a message for the Teen class, who was having a special bonfire event that evening. We are thankful to God as we watch the growth of the young people with whom we spent so much time while we were there, and the opportunity to continue to invest in them spiritually, as well as fellowship with them! We praise God for the special relationship He has given us with the church family at MBC!

Please continue to pray for us in the application process with World Wide New Testament Baptist Missions. Please pray as we are beginning to schedule meetings to present the ministry; many churches schedule missionaries months or even years in advance, and very few churches take on missionaries in the service they present. This makes the early part of deputation and building financial support a slow process. Pray for safety as we travel to present the ministry. Pray for opportunities to share the Gospel with those we encounter! We are thankful to have you as partners in prayer! Last month we invited you to share your prayer requests so that we may pray with you, and several of you took us up on that. We are grateful you have allowed us to be partners with you in those prayers! This month, that invitation remains open, and we invite you to share something about which you are thankful so we can praise God along with you!

Your Fellow Servants,
Joe & Angela Kutinsky
