“As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.” *Galatians 6:10*

February 2026

Dear Pastors, Church Families, and Praying Friends,

The shortest month always seems to go the fastest, but we weren't short on blessings from God in February! He has filled our month with handfuls of purpose!

The first Saturday of the month, our home church held a Valentine's dinner at a local restaurant. The game time of the event was MC'ed by Jacob Cook, who allowed me to be his assistant—the Rod Roddy to his Bob Barker, if you will. It was a fun time of fellowship with our church family!

A quick personal trip to the Ocala area of Florida to help a friend happened to coincide with revival services at Memorial Baptist Church, where we served late 2024 and early 2025. I was able to stop in for one service. I was blessed by the message, and by what God did through those services! As they are a supporting church, they requested a brief update during the service, and I was able to quickly share our appreciation for their partnership and let them know how things are progressing with the ministry.

Another local church, First Baptist Church of Kenmore, hosted their banquet on Valentine's Day. Some time prior, Pastor Grimaldi reached out about us preparing the meal for the event. We recruited my parents to assist us with the project. One of my great joys is serving the Lord alongside my family! We appreciate the opportunity to work with FBC Kenmore in providing a relaxing evening of fellowship for their church family!

On the 15th, we were invited to Harvest Baptist Church in Greenville, PA. Pastor McClain and the church family there were warm and welcoming, and we were thankful for the opportunity to present the ministry (including the use of our new video for the first time!), as well as preach the morning service. We appreciated their heart for the Lord and their fellowship!

Besides regular admin duties around GRBC, Angela and I have begun to redesign the church's website in anticipation of the 100th Anniversary of the church! When we look back on the many decades of people serving the Lord at this place, and especially what this church has meant to both of us (Angela and I were both saved here!), as well as how this church has been interwoven in the history of my family, we are filled with gratitude to God for our local church!

While we continue to prepare for our interview with World Wide New Testament Baptist Mission in early April, God has seen fit to connect us with a few churches who have scheduled meetings over the next several months! Please continue to pray for God to connect us with partners who have the same vision and heart for missions; the quicker we can get through deputation, the quicker we can focus primarily on the work to which He has called us! We truly enjoy serving our Lord, and His kindness in allowing us opportunities to do that which He has called us to do in a way that doesn't take us off the course of beginning deputation is very encouraging to us! Please pray as we continue to schedule meetings, travel, and strive to serve Him wherever we are!

Your Fellow Servants,  
Joe & Angela Kutinsky
