

THE KUTINSKYS

"As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith." *Galatians 6:10*

May 2025

Dear Pastors, Church Families, and Praying Friends,

God's goodness is abundant, and we praise Him for it!

We've wrapped up our time at Memorial Baptist Church and headed back to Ohio with a larger trailer than we arrived with. May 4th was our last Sunday serving at MBC. Pastor West invited me to preach that evening, and after the baptisms following the preaching, the church voted to take us on for support! We will be forever thankful to Pastor and Mrs. West and the church family at MBC for all they've invested in us, for their love shown toward us as we labored alongside them, and for how God has used them to bless us!

Upon arrival home, we were greeted with a contingent from our home church who helped us unload, fed us, and fellowshiped a bit. We are so thankful to have a local church that supports us not only through prayer and communication, but through genuine hands-on care! Speaking of our local church, the Annual Missions Conference of GRBC was May 14-18. We were invited to present our ministry to our own church, and they voted the first night of the conference to help support us financially as well! We enjoyed being able to visit with our church family, and appreciated the many visitors who came to our table where they could work with tools (toys), grab our prayer cards, see photos from places God has allowed us to assist, and pick up a key chain to remind them to hold the rope for their missions partners by praying for them regularly!

While home, I'll be working at the church, and we'll be helping out in the office and anywhere else we can be of use. We've also begun the repairs of the kitchen and basement from the water damage that occurred in our home in January. For the next couple months, I'll be preparing for ordination and applying to a missions agency. We appreciate your prayers as we seek to move forward with the work God has called us to do!

This week (May 25-June 1), we've returned to Ocala, FL for the Missions Conference at Memorial Baptist Church. This is the conference we've been attending for the last few years as a vacation of sorts, but this year, we are privileged to be invited to participate as presenting missionaries! Dr. Danny Whetstone and Dr. John O'Malley have preached this conference for years, and this year Dr. O'Malley has brought a large selection of books written by himself and a few others; Angela has been able to help out by manning the table and handling the book sales. We are excited to see what God does through both GRBC and MBC following their missions conferences this month!

Along with all these praises, we have a few prayer requests to share. As mentioned above, we ask that you pray for us as we navigate the processes of ordination and joining up with a missions agency. We also ask you to join us in praying for wisdom and God's provision as we search for the right RV to suit our ministry needs. Please pray for us as we balance our ministry work and our home repairs.

We are thankful for each of you who so diligently hold the rope for us (and the rest of your missions partners), and praise God for you!
